Below are some of the initiatives that we have implemented in the community:

- We have donated more than \$10,000 to the following literacy organizations: Palmetto Project - Begin with Books, Charleston County School District and the Moja Arts Festival's 4<sup>th</sup> Grade Read Out.
- We participate in Kids' Fair annually and host book fairs that have provided 1,000 books to lowcountry youth.
- We co-sponsored the "Off the Wall and Onto the Stage" cultural production including the educational outreach events that reached 5,000 tri-county students.
- We provide physical resources that enable community groups to plan and implement mentoring and community initiatives, such as the Charleston Youth Leadership Council, Delta G.E.M.S., Charleston Pan Hellenic Council and "Helping A Sista Out" Seminar.

The proceeds from the Scholarship Bowl-a-Thon will provide scholarships to deserving students in the Charleston County area.

We hope that we can count on your support. Please consider completing and mailing in your registration form today. If you have questions or require additional information, please contact Naquita Page-Dawson, Event Coordinator at [npagedawson@yahoo.com](mailto:npagedawson@yahoo.com) or 843-729-4355.

Thank you in advance for supporting our youth and the community..

Sincerely,
